**UNDISPUTED
QUALITY**

OUR STORY

RDX Sports® is a British Contact Sports Goods and Apparel manufacturer that entered the Sporting Goods industry in 1999 located in Bury Manchester, England.

By 2004, Backed up by our “fighter centric” model that believes in “Athlete Safety over Everything Else”. RDX expanded their UK base of operations from a small-scale producer of specialised sports goods to manufacturing a wide range of contact sports equipment; setting up warehouses in Houston Texas, America and Bury Greater Manchester, UK with distribution lines running into Australia, Americas and Europe.

Today, we stand as a global sporting brand exporting from the UK to 57 countries around the world.

WWW.RDXSPORTS.COM

RDX is a British Combat Sports and Fitness brand, Established in 1999 and committed to not maximising profits but our product for Undisputed Quality.

Every resource and our endless energy is put into research and development keeping us at the forefront of the market. We never settle or compromise, and our aim is to always improve, an ethos any athlete or fitness fanatic can appreciate.

We respect the noble art's new and old, and the craft behind them. We respect tradition while remaining progressive, to harness our developments and build tools that help athletes reach their true potential.

This is why we Always Innovate and Never Settle.

WWW.RDXSPORTS.COM

🚩 Research/ing 🚩 Develop/ing 🚩 Xecute/ing

We believe in Athlete Safety Over Everything Else.

All profits are invested back into Product Research and Development, and as of 2017 to 2018 already owning 4 RDX exclusive manufacturing facilities, we have continued this investment process and opened our new state of the art, 5th flag ship factory.

No expense is spared in the manufacturing process, something evident from using RDX equipment.

Whilst we take pride making the products as aesthetically as desirable as possible, the real work is hidden... if you took an RDX product apart, piece by piece, you would see we proudly source the finest materials from around the globe to enhance our master craftsmanship and manufacturing skills.

All this is done to ensure that our products are the best they can be for our customers, time after time, with superior build and design consistently replicated for Undisputed Quality and Athlete Safety Over Everything Else.

- › Steel bag / speedball swivel with 2 point board fixing for optimum stability

SIZES

ONE SIZE

SWX-S2B

- › Black **Ni-coat™** treated **HG-Steel™** built with sealed bearing
- › Four strategically positioned wall-fixings for perfect ceiling attachment
- › Treated with **H-CR™** for anti-rust ability

SIZES

ONE SIZE

SWI-R1B

- › High grade **HG-Steel™** for outstanding strength and fixture stability
- › Superior quality ball bearings with low friction for enhanced movement
- › Quick release pin design for easy and convenient removal of bag

SIZES

ONE SIZE

CH9-X1B

- › Made with **18-gauge HG-Steel™** for a strong ceiling hook that takes up to 100kg
- › Superior quality **D** shackle for added stability and smooth movement of the bag
- › Easy to assemble and comes complete with 4 industrial shield bolts

SIZES

ONE SIZE

CHU-X4B

- › Made from a high grade of stainless steel and Black nickel plated
- › Additional quick release pin seam feature for ease of removal of ball or bag
- › Comes with all fixings

SIZES

ONE SIZE

CHC-X1B

- › Exclusive **360 degree** punch bag swivel for free rotation of the punching bag
- › **18 Gauge HG-Steel™** construction for strength and durability
- › **H-CR™** treatment to make the swivel weather-proof

SIZES

ONE SIZE

CHR-X1W

- › **18 Gauge HG-Steel™** to hold punch bags of up to **100kgs** weight
- › Package includes **D Shackle** to handle the bag efficiently
- › Comes with heavy-duty shield bolts for fixing in the ceiling

SIZES

ONE SIZE

CEILING MOUNT

**WALLMOUNT
HANGER**

CBR-X1B

- › 16 gauge powder coated non-slip iron beam (46cm from the wall) with gussets for durability
- › Heavy duty wall brackets for reinforced strength to take up to 130kg weight
- › Designed for multi-purpose use with pull up bar and bag attachment

SIZES

ONE SIZE

CBR-X1W

- › 16 gauge powder coated non-slip iron beam (46cm out of the wall) with gussets for durability
- › Heavy duty wall brackets for reinforced strength to take up to 130kg weight
- › Designed for multi-purpose use with pull up bar and bag attachment

SIZES
